Applicant's representative held an interview with Examiner Fristoe on May 2, 2007. Applicant's representative would like to thank Examiner Fristoe for his time and attention to this matter.

Applicant's representative pointed out to the Examiner that there is an inconsistency regarding claims 17 and 18. The pending Final Office Action, paper no. 20070406, indicates claims 17 and 18 are rejected and allowed. The Examiner agreed the inconsistency exists and stated that claims 17 and 18 are allowed.

Applicant's representative is greatly appreciative of the efforts and time put in to this matter by Examiner Fristoe.

Respectfully submitted,
